How to Find Your Passion?	
What is something I want to do in my free time?	
What is something I want to do in my free time?	
What is something I want to do in my free time?  What is that dream about MYSELF that always stays in my	mind?

What do I want to achieve in my life that I am sure will also make me happy?
In future, how I want to introduce myself to others?
What is something I can do or talk about for hours?
What do I want to learn about?
What is stopping me from doing what I want to do?
How can I move from what I am doing to what I want to do?
What can I do with full confidence and WHO I think can pay me for it?
